

## MODULE STREET WORKOUT

This module has been designed for a street workout for everyone who wants to improve their physical fitness through aerobic exercise and muscle-toning sessions. It's a balanced choice for all ages and abilities.

### CONTEXT

Sports equipment does not have to be moved to accommodate this configuration, so this module can be placed in supervised or unsupervised areas.

### DIMENSIONS

Minimum recommended dimensions of the module, including safety areas: 10 m x 9.30 m.
