

# ADVANCE VULCANIZED

TOUGH MEETS COMFORT

**ADVANCE VULCANIZED IS A MULTI-LAYERED FLOORING MADE OF VULCANIZED RUBBER. ITS THREE LAYERS HAVE VARYING DEGREES OF HARDNESS, AND THE COMBINATION MAKES IT HANDS DOWN THE MOST DURABLE MULTIPURPOSE FLOORING AROUND.**

### UNIÓN DE LAS CAPAS MEDIANTE VULCANIZACIÓN

El producto se compone de dos capas diferentes de caucho macizo unidas entre sí mediante un proceso de vulcanización. El resultado final es un material homogéneo y sin uniones.

### LA TECNOLOGÍA DE LAS CELDAS DE AIRE

Capa inferior diseñada geoméricamente con alveolos llenos de aire para garantizar la absorción de impactos, el almacenamiento de energía y una respuesta motriz inmediata.

### SUPERFICIE DE JUEGO EN CAUCHO LISO

Esta superficie de interior en caucho vulcanizado presenta un acabado liso. Gracias a sus propiedades, el caucho asegura naturalmente el óptimo agarre superficial en condiciones secas, y sin la necesidad de un gofrado.

## ADVANCE VULCANIZED

In basketball, support starts under the feet: the right energy return, stability and grip provide the perfect base for top athletic performance. Advance Vulcanized combines three layers to meet all play needs, from practices to championship finals.

Speed, agility and explosive leaping. Volleyball requires a high-end surface capable of supporting high-performance play. That's Advance Vulcanized.

## BETTER GRIP MEANS BETTER PERFORMANCE

The performance layer is made of solid rubber that requires no finishes or surface coatings. It is designed to exceed the toughest friction coefficient standards for high-level play and superior biomechanical performance.

## LESS IMPACT, MORE COMFORT

The underlayer's deformable geometric structure increases the flooring elasticity. This results in optimized foot support, exceptional shock absorption and maximized energy return for superior comfort while playing.

## MAXIMUM SUPPORT FOR HEAVY LOADS

The load disbursement layer enables Advance Vulcanized to withstand heavy loads, such as sports equipment, bleachers, benches and tables.
