

ZONE-IT

MAKE YOUR FUNCTIONAL TRAINING SESSIONS MAGNETIC.

ZONE-IT IS A MODULAR FLOORING (AVAILABLE IN AN INTERLOCK VERSION WITH CONNECTABLE TILES) AND WALL-COVERING SYSTEM THAT WAS DESIGNED BASED ON MONDO'S EXPERIENCE DEVELOPING SURFACES FOR CARDIO WORKOUTS. THE SYSTEM'S SPECIAL MAGNETIC CHARGES AND KIT OF DETACHABLE MAGNETS, WHICH CAN BE USED BOTH ON THE FLOORING AND THE WALLS, ENABLE QUICK AND EASY CUSTOMIZATION OF YOUR TRAINING SESSIONS AND AREAS. THE SMOOTH, NON-POROUS FINISH MAKES ZONE-IT SLIP-PROOF AND ENSURES THE PERFECT GRIP COEFFICIENT FOR FUNCTIONAL TRAINING, WHERE HEAVY EQUIPMENT LOADS AND ROTATIONAL TRAINING MOVEMENTS ARE CONSTANT.

CO-VULCANIZED MULTI-LAYER DUAL DUROMETER

Two different layers of solid rubber with their own formulations, vulcanized together to form a continuous, seamless piece of material.

SMOOTH SOLID RUBBER TOP LAYER

Vulcanized rubber surfaces with a smooth finish, for indoor installation. Thanks to its properties, under dry conditions, the rubber naturally ensures a superficial grip, without any need for additional embossing.

MAGNETIZATION

The surface is created combining rubber and mineral ingredients to make it magnetic.

ZONE-IT

Training is a continuous drive for improvement. So your training space shouldn't impose limits on you. Design your area to respond perfectly to your workout needs.

A WORKOUT THAT'S EVEN MORE YOURS

With its magnets kit combined with the magnetic flooring and wall surfaces, Zone-It is the ideal solution for quickly and easily personalizing your functional training area. An infinite number of configurations and fun, colorful designs allow you to dedicate a single space to different activities simply by moving the magnetic elements.

CHANGE WORKOUTS, NOT SPACES

The set of mobile magnets sset allows you to personalize any space so that it's designed around your training sessions. Zone-It is ideal for every training routine, and it provides maximum comfort and complete safety due to a double-layered vulcanized rubber structure that ensures the right mix of shock absorption and energy return. Plus, Zone-It's smooth finish guarantees the perfect grip, reducing the risk of muscle injuries.
